## Research Needs:

This semester I am enrolled in my History senior seminar, a course that requires me to choose a topic of my choice and collect evidence in order to sustain a 25-35 page paper. For my topic I have chosen the integration of baseball in the City of Chicago. My focus will be extensively on the Chicago White Sox and the player Orestes 'Minnie' Minoso. I was wondering if there was anyway of getting into contact with Mr. Minoso, as his knowledge would prove to be extremely valuable evidence of what the integration of baseball was like in the City during this time period. Any advice would be greatly appreciated. If there is another avenue that I should be looking into please let me know. Thanks you. Any information please email to: tylerdoane\_2011@depauw.edu
